LOCAL AND OTHER NOTES.

—Dr. M. W. Boyd returned from Florida this morning.
 —Our friend Col. W. J. Crisler, one of the solid democrats of Hinds, favored us with a call Saturday.

—Mr. E. M. Gaddis, one of the enterprising merchants of Madison, made a flying visit to the Capital yesterday.

—The condition of Mr. E. R. Stedman for just few days has not been so favorable—this morning, somewhat improved.
 —Col. J. C. Clarke, President of the "Big J," with characteristic liberality, subscribed \$250.00 to the bonus fund for a State Fair.

—Gov. Lowry is attending Simpson Circuit Court. The piney atmosphere is "good for the wholesome" of our hard-worked State officials.

—"Bentonia" is the name of a station on the Yazoo and Mississippi Valley Railroad—a neat compliment by Col. Clarke to Mrs. W. H. Green, of this city.

—Remember the firemen's excursion to Vicksburg next Wednesday, 25th, and remember also, to call on Mr. J. Braun for a ticket—\$1.50 for adults, 75 cents for children.

—The Anniversary of Hellenian Society of Mississippi College, Clinton, will take place on Friday night of this week, commencing at 8 o'clock. Exercises at the Chapel.

—We see attending the Supreme Court this week: Judge J. A. Orr of Columbus; Mr. W. A. Bogle of Macon; Mr. A. B. Pittman, of Vicksburg; and Hon. T. Otis Baker, of Natchez.

—Died in Jackson, Miss., on Wednesday evening April 11th, Mr. W. E. Skinner. The deceased was a native of this State and leaves a family and many friends to mourn his loss.

—On Friday last Sheriff F. A. Cameron, Hon. R. E. Rhodes, and Mr. F. H. Culley of the Chronicle, all of Jefferson county, took in THE CLARION establishment, and were heartily welcomed.

—Mrs. Fannie George, nee Mrs. Fannie G. Barksdale, with her children, have been spending the past week in the city on a visit to her father, Senator George, much to the delight of her numerous friends.

—Special services are being held at the Baptist church this week. Rev. Dr. Bozman preaches every morning and night. Morning service begins at 10:30; night service at 7:30. All are most cordially invited.

—The schedule on V. and M. R. R. has been changed so that the way freights are tri-weekly instead of daily, going East, on Tuesday, Thursday and Saturday going West, on Monday, Wednesday and Friday.

—Commissioner E. G. Wall, Maj. E. Barksdale, Col. H. O. Dixon, Treasurer of State Grange, L. F. Alford, left this morning on the Natchez train to attend a meeting of the Claiborne County Grange, near St. Elmo, to-day.

—The Catholic ladies of Canton will give a festive supper and dance at the Odd Fellows Hall, this evening. Parties wishing to attend can go up on the evening express and return on the 10:30 or mail train. \$1.00 for round trip ticket.

—Little drops of water, little grains of sand, make the mighty ocean and the beautiful slates on the mighty expanse of roof that covers the new Methodist church.

—Printer's ink and the Sheriff of Coah county found Col. W. L. Nugent's horse in the possession of a colored individual near Hazlehurst. The horse has done some tall plowing since he was borrowed from his comfortable stable in Jackson.

—About two score of little people enjoyed themselves at a candy pulling at the residence of Mrs. W. L. Hemingway last Friday evening. The occasion afforded much enjoyment and about ten dollars toward the new Methodist church.

—The concert last night at the Opera House, given in compliment to Mrs. Cage was a complete success. A large audience were present and gave evidence of their appreciation of the programme by long and continued applause. The hall and stage were beautifully decorated with flowers and evergreens.

—Of the five young men who were examined for appointment to West Point on the 12th inst., from Col. Singleton's District, the successful competitor was J. V. Hamilton; alternate, T. M. Kelley. The Board of Examiners were Gen. J. A. Smith, Prof. Seldon Watkins and R. K. Jayne, Esq.

—Mrs. F. A. Wolfe sent to our office yesterday a basket of onions and beans, the largest and finest we have ever seen raised in this vicinity. The onions are of the Pearl variety, and the friend who brought them said they were "mild," but they certainly have a very loud onion flavor. Three of them weighed 2 pounds, 7 ounces.

—"Music bath charms," but very much depends upon the quality. The kind dispensed from the hall on Capital street, opposite Mrs. Bulkeley's residence, could be spared by those whose misfortune it is to hear it. Those who are ambitious to learn music with brass horns, should do their first tooting in the woods, where the melody of such sweet sounds may be better appreciated.

—The entertainment given by the Mite Society at Mrs. Thomas Greens on Friday night last was among the most enjoyable of the season. The audience large and the programme splendid. The amount realized was about \$16. The next entertainment given at Mr. Van Hook's on Friday night next, 20th inst. All are invited to come and bring along their small change. Admission fee 10 cents, but larger contributions will not be refused.

—We had the pleasure of a call yesterday from Mr. W. F. Fanning, of Vidalia, La., who is interesting himself in getting up a subscription list sufficiently large to insure the publication of the Life of S. S. Prentiss, written by Col. Jos. D. Shields, of Natchez, than whom none is better qualified. Mr. Fanning received about two hundred names in Natchez, and we are pleased to note that he got a large list in Jackson in a very short time. We commend Mr. Fanning to the kindly reception of all persons upon whom he may call in the places that he expects to visit.

—Wm. H. Smallwood, a well-known colored citizen of Jackson, died on Saturday last. His funeral took place on Sunday afternoon, and there were but few of his race in this city and vicinity who were not in attendance. He was a member and officer of nearly all the Benevolent Orders that are so prosperous among the colored people, and he was also Secretary of Hope Fire Company. He was a man of considerable culture, and in penmanship had few equals. He was a licensed attorney and was expert in the preparation of leases, deeds, contracts, etc. He was obliging and good natured in disposition, and altogether occupied a place among his people that cannot soon be filled.

—Rev. J. Woodbridge, D. D., of Wesson, Rev. W. B. Bingham, wife and daughter, and Miss Insee of Hazlehurst; Rev. C. R. Dudley, and J. M. Newton, of Crystal Springs, were at the Spangler House last night, and left for Natchez this morning, where the Presbytery of Mississippi convenes to-night. Miss Insee is a native of China, and a daughter of the late missionary of that name, and the first representative of the Southern Presbyterian church in that country. Mr. Dudley is a native of Jackson, a grandson of Mrs. Edwards House, who resided about thirty years ago on Pearl street, about where the Opera House now stands. Mr. Newton is a son of the Rev. Dr. A. Newton, who resided and died in this city, and who was one of the ablest ministers of our State.

Notes From West End of Jackson.

[FURNISHED BY JACK SPRATT.]

—Look out for excursions.
 —Business steadily increasing.
 —Improvements rapidly progressing.
 —Our mornings are as cold and airy as hotel clerks.

—Wear old clothes—out of respect for your tailor.
 —If you are paragonically inclined, consult a druggist.
 —Overhaul your barrel—and hunt up your linen duster.
 —The fine turn-outs fly through the West in the evenings.

—The sweet song-bird of West Jackson should be well caged.
 —Heaphy & Kelly are prosperous West Jackson merchants.

—Bread cast upon the waters—buy yours from the West Jackson Bakery.
 —Weather as fine as an old lady's voice—we have ordered a barrel still finer.

—Oscar Hickie is on a visit to Jackson. Everybody knows Oscar.
 —Our barber-ous friend Williams has a Shaving Saloon opposite the depot.

—Willie Harrington is the popular and accommodating clerk at the drug store of W. H. Potter.

—We are willing to bet fifteen cents that Capt. A. Mizell is the oldest citizen in West Jackson.

—Capt. Frank Johnston has been elected President of Branch No. 72, Catholic Knights America, of this city.

—John McDonnell is pushing and and pushing around in the West. He must be doing a lively business.

—We learn that on Monday, Mr. John Wolner, of Canton, while out hunting, shot a man accidentally, fatally wounding him.

—Lawrence Fraguemo has serious intentions of visiting his old home in Europe some time next month.

—The shrill whistle of the locomotive and departing trains keep our police wide awake; therefore West Jackson is well guarded at night.

—The new fire bell for West Jackson Fire Company, will reach here in a short time; then look out for firebugs. The company is well organized at present.

—Trump! trump! trump! is the march of the poor convicts over the pavements of West Jackson, going and coming from different points over the State.

—Firemen's Excursion from Meridian to Vicksburg, April 25th. West Jackson Fire Company No. 1, should go, and have some fun in the Hill City with their brother firemen.

—The funeral of the late Wm. H. Smallwood, from West Jackson, last Sunday evening, was the largest colored turn-out that has ever occurred in Jackson. An immense procession followed his remains to the grave. He was a member of Hope fire company and all the colored benevolent societies of this city, and was respected by all classes of citizens.

The Mississippi Mills.

Wesson Herald.]
 The Mississippi Mills, have added to their machinery vastly. It has been arriving for several weeks and several car loads were on the switch this week. Floors have been relaid, new, and costly machinery put in, and a large force of men have been at work night and day to expedite matters. We suppose the new improvements cost not less than \$300,000. People who have no idea about a cotton Mill, ought to take a peep at ours. It is an immense concern.

A Beautiful Poem.

Chickasaw Messenger.]
 THE CLARION of last week publishes a beautiful poem from the pen of Mrs. A. F. Fox, of Wallhalla entitled, "Charity." Our columns are too much crowded now, to reproduce it, but we have transferred it to our scrap-book for further use.

Meridian to New Orleans.

Extract from a letter to THE CLARION:
 The N. O. and N. E. R. R. is progressing finely, and we are having more new towns built than we will be able to support. Trains are now running daily to Heidelberg. Sandersville, the next station below Heidelberg, is within a mile of the Presbyterian Camp-Ground.

Office of

THE UNION AID ASSOCIATION
Of Jackson, Mississippi.

THE managers of this staunch Mississippi Institution respectfully ask your attention to its claims for your confidence and support.
 The Union Aid is not an ordinary Co-operative Association, but has a special charter from the State Legislature, embodying valuable and important principles possessed by no other association in the United States. It is conceded by all intelligent men, who have investigated the subject, that it is essential to the safety and perpetuity of a life association, to provide a reserve fund during the early years of the Association to draw on in case of increased or excessive mortality, and thus prevent too frequent assessments.

This has been met by the Union Aid, by a provision in the Charter, providing that 25 per cent. of each assessment be deposited in the State Treasury, bearing 4 per cent. interest, to belong solely to the members, and used only in payment of death claims should the mortality require more than ten assessments a year. In the next place the Union Aid is prohibited from issuing speculative policies. Only a bona fide endowment can insure the life of a debtor, and then only by consent of the debtor, and only to the extent of his debt with legal interest. We oppose the speculative business—believing that life insurance is legitimate only when used by relatives of the beneficiary or by bona fide creditors of the insured.

The speculative insurance business is the bane of most assessments, or co-operative associations—it brings in bad risks, is wrong in principle, and contrary to the good morals and best interests of the people.

Only those who wish to carry out the grand mission of life insurance—the protection of loved and dependent ones—can become members.

Again, the charter provides, That the money due minor children, for whom a legal guardian has not been appointed, or desired, can be paid into the State Treasury, and held by the State at 4 per cent. interest until the minor becomes of age, only the interest to be drawn out as needed.

Lastly, no irresponsible agents are allowed to represent the Association, and great care is exercised in the selection of members.

Since the organization in March, 1882, no assessment has been made. Only one death has occurred, and the amount due was promptly paid. About \$1000 is now in hand available for death claims, and in case of a death, an assessment will be made. The reserve fund in the State Treasury and mortuary fund in bank is constantly increasing. We invite investigation, and urge on the people the superior advantages we possess in furnishing cheap, safe and permanent life insurance.

The Union Aid has fully complied with the laws of the State having paid the fee of \$500, and is now the only Mutual Life Association legally authorized to do business in Mississippi. Reliable agents are wanted. Applications and estimates will be furnished parties who wish to insure. For three months from this date a special rate will be given to parties desirous of insurance. Write for terms.
